Experience

One Young World
ASEAN Leadership Forum
October 2025 - Present (8 months)
Manila, National Capital Region, Philippines

ASEAN Leadership Forum 2025 is a regional gathering that focuses on key topics shaping Southeast Asia's future, including Indigenous Leadership &

Climate Change, Artificial Intelligence & the Workforce, and Youth Voices in Policy Change. Delegates will engage in keynotes, panel discussions, workshops, and networking sessions.

Selected Indonesian delegates represent a diverse group of youth leaders, professionals, and advocates who will contribute perspectives from Indonesia to the wider ASEAN dialogue.

One Young World is a global platform that brings together young leaders, professionals, and changemakers to discuss pressing issues and create solutions for a better world. Each year, it convenes regional and global forums that connect youth with leaders from business, government, and civil society.

The Leadershift Company

Founder

2022 - Present (4 years)

Bandung, West Java, Indonesia

The Leadershift Company envisions to be a facilitator of leadership, with a particular emphasis on developing visionary, agile leaders who leave a lasting legacy.

Not only do we train leaders, we shape them. Leadership is the most important component, according to our experiences working with partners and clients from a range of industries, especially in the human resources sector. We thus focused on leadership.

Our personalized programs painstakingly identify and develop each person's distinct leadership qualities, producing a group of capable leaders equipped to handle the demands of the contemporary business environment:

Sculptors of Leadership: We do more than simply teach leaders; we help them realize their full potential.

Strategic Partnership: We work together with you on your leadership path as more than just consultants.

Powerful Facilitation: We impart practical knowledge for success in the real world, going beyond theory.

In the spirit of building a movement and culture of #EmpoweringLeaders, we have established a community of young top leaders across Southeast

Asia, known as The Leadershift Hub. This platform is designed to bring together visionary leaders who are committed to empowering one another and amplifying their impact in reshaping leadership for the next generation.

Through Leadershift Hub, we aim to create a ripple effect of leadership transformation that transcends boundaries, helping leaders not only grow individually but also contribute to the collective advancement of leadership excellence in the region.

Elevate your organization, inspire your teams, embark your leadership odyssey, and leave a legacy.
