Pandu Wicaksono Soeprapto

Vice President | FIG Analyst | Writing on Fiction, Finance, and Coffee
West Java, Indonesia

Summary

Pandu W Soeprapto began his banking career in 2007. After completing management training from one of the prestigious banks in the country, he started as an SME Relationship Manager. Then, he moved on to the Business Banking segment before settling in the Large Corporations sector. Currently, he dedicates his skills to being a Credit Analyst who specialized in financial institutions.

He graduated from ITB in 2007 and received a Master of Banking & Finance from Monash University in 2012. He also acquired Certified Management Accountant (CMA) credential in 2014. He had experiences as a facilitator, trainer, and lecturer in various educational institutions teaching risk management and finance. Outside of work, he is active as a writer and in the stock market.

Experience

DBS Bank

VP - Senior Credit Analyst

February 2023 - Present (3 years 4 months)

Indonesia

To conduct financial analysis and portfolio management of debtors, as well as provide recommendations in line with the company's business and risk policy.

Specialized in analyzing Financial Institutions. Yet, also knowledgeable in other industries. Had been assisting in bringing new business from insurance industry, and new names from financing companies, banks, and sovereign wealth fund.

Freelance

- Certified Management Accountant (CMA) preparation class (Strategic Business Analysis Module)

Sumitomo Mitsui Banking Corporation

Japanese Desk Relationship Manager

October 2013 - May 2015 (1 year 8 months)

Greater Jakarta Area, Indonesia

Develop and maintain a good relationship with clients. Assist in their daily banking transactions, give financial advice, and conduct financial and non-financial analyses to determine their creditworthiness. In addition, also provide trade and hedging services if necessary.

Mainly focusing on clients that are related to the automotive industry.

Managed to increase my portfolio's (lending, funding, foreign exchange, and derivative) profit by 40% in the fiscal year 2014, and was appointed as Senior Relationship Manager in 2015, supervising an assistant and an analyst.

CIMB Niaga

Corporate Banking Relationship Manager - Mining & Energy Division

November 2012 - October 2013 (1 year)

Greater Jakarta Area, Indonesia

Conduct financial and non-financial analysis as well as a risk assessment to determine whether or not a client is eligible to receive a loan based on the company's policies, and form credit structures that match with clients' profiles. Also, maintain a good relationship with clients and assist in their daily financial transactions.

I have been involved in aircraft, mining concession, and power plant financing.

CIMB Niaga

3 years 4 months

Business Banking Relationship Manager

August 2008 - November 2010 (2 years 4 months)

Indonesia

Responsible to support the company's target achievement by subsidizing loans for business purposes to an individual or corporate client according to the company's standard policy. Conducting financial statement evaluations, identifying risks, maintaining the quality of the loans, and developing a good relationship with current and prospectus clients.

In my final year managed to develop a business relationship with a State-Owned-Enterprise (SOE) and booked a new investment loan portfolio for the team.

Executive Development Program

August 2007 - August 2008 (1 year 1 month)

Greater Jakarta Area, Indonesia

One of the best development programs in banking industry in Indonesia. Learned the principle and knowledge required to participate in the industry.

Education

Monash University

Master, Business (Banking & Finance) · (2011 - 2012)

Institut Teknologi Bandung

Bachelor, Business & Management · (2004 - 2007)
