Celina Hana

UI/UX Designer | Web Developer | Content Creator | Information
Systems Student
Kota Surabaya, East Java, Indonesia

Summary

I'm an Information Systems student at Universitas Negeri Surabaya with a passion for UI/UX Design, Web Development, Digital Marketing, and Finance. I bring hands-on experience across diverse roles from designing UI/UX prototypes, developing full-stack web applications, and creating 30+ contents as a Content Creator, to managing financial statements. I thrive in collaborative environments and am driven by a desire to create meaningful digital experiences. Currently open to project opportunities in tech and content creation.

Experience

Coding Camp powered by DBS Foundation
Full Stack Web Developer
February 2026 - Present (4 months)

- Developed front-end interfaces using React.js for responsive and interactive user experiences.
- Built back-end systems using Node.js, Express.js, and PostgreSQL.
- Collaborated with a team of 6 to build SkinSense AI, an AI-powered skincare web application.
