MS Capital Group | Venture Building | Unifying Excellence, Scaling
Success
Singapore, Singapore

Summary

With a strong focus on both business and personal growth, I'm passionate about building and scaling ventures by combining strategic thinking with hands-on execution.

Originally from Germany, I've lived and worked across Europe, Asia, and beyond. This have given me a deep understanding of diverse markets and cultures, which has been essential in leading teams and driving sustainable business growth.

I enjoy connecting with like-minded people, exchanging ideas, and finding ways to create meaningful value and long-term success for everyone involved.
