During my tenure at Essence Communications Inc., I drove unprecedented revenue growth, achieving record-breaking results---the highest revenue in the company's 50-year history. Under my leadership, we tripled revenue commitments for the Essence Festival of Culture, secured high-profile streaming deals (Hulu for Essence Festival, Max and OWN for Black Women in Hollywood), reorganized Sales & Marketing into a Revenue Partnerships & Sales division, and developed strong leadership teams to optimize pre-, mid-, and post-sales operations. I also pioneered the inaugural upfront partner summit at Essence Festival, overhauled sales collateral to enhance our go-to-market strategy, and guided the business from transactional RFP cycles to multi-year commitments exceeding nine figures—always with a focus on serving our community with purpose.
